### Third Sunday of Easter

*The risen Christ welcomes his own at the seashore*

We continue our Easter season celebration today with readings that clearly point us to the evangelizing mission of the Church. The witness of the apostles in spite of persecution is only one example of the imperative to spread the Good News. Today's Gospel shows that the presence of the risen Christ is our guarantee that the work of the Church will be productive, especially when our community is nourished by the Eucharist. Let us pray that we will heed Jesus' call to follow him.

God Himself doesn't propose to judge a man until he is dead—why should you?

Please mark the amount of your donation on your offering envelope. If this is not marked, and the money counters miss it, there is no way for us to record the correct amount of your offering.  
 A small thing, but important!

Many thanks to these three ladies for stepping up to teach our faith to our young children.
